

**Londonderry Conservation Commission
Minutes August 18, 2016
6pm**

Meeting called to order at 6:02

Present: Irwin Kuperberg, Kathie Stone, Margie Beckwith
Absent: Mark Wright, Helen Hamman (announced)

Administrative Matters

The minutes of the July 21, 2016 were approved.

The balance in the Conservation Fund as of July 31, 2016 is \$18943.28.

Old Business

The tabulated results of the Community Forum held in May were discussed as background for the review of the Town Plan draft. The LCC reviewed the Natural Resources section of the Town Plan draft and compiled a list of modifications/additions to be presented at the joint LCC/Planning Commission meeting next month. (See below)

Kathie Stone submitted the final report and invoice for planting a crabapple at the Prouty property, pruning trees and the purchase of a GPS to the Vermont Urban Community and Forestry Program to finalize the Canopy Grant.

There has been a consistently high E Coli reading at the Rowe's Road water testing site. Irwin Kuperberg has been in contact with Marie Caduto and her department will look into high reading.

New Business

There is a joint meeting with the Planning Commission scheduled for September 12, 2016 at 7 pm to discuss the suggestions for the Natural Resources section of the current town plan.

The ANR is holding a Public Hearing on Water Quality in Londonderry on August 31st from 1 to 3 pm.

Wildlife – woodchuck, bear, deer, fox, hummingbirds, bald eagle chipmunk, turkeys,

Meeting adjourned 7:45

Next Meeting: September 15, 2016 preceded by a site visit at the Truax property at 5pm led by Mark Wright.

Respectfully submitted,
Martha Cowles
Administrative Assistant
