The Londonderry Conservation Commission regretfully accepted the resignation of Bob Twitchell. We want to thank Bob, a founding member, for all of his years of dedicated service to the Londonderry Conservation Commission.

**Administrative Matters**

The minutes of May 19, 2016 were approved with a motion by Irwin Kupperberg and a second by Helen Hamman

**Old Business**

A big thank you to Margie Beckwith for organizing the Pond Event. It was a great event and very well attended.

Deborah Hennessey from the Weston Conservation Commission attended the meeting to discuss water testing in Weston. Volunteers test the water every two weeks beginning on June 22 and ending on August 31<sup>st</sup>. SEVWA will train the Weston volunteers and arrange a pick up location.

Mark Wright reported that the Summer Butterfly session will be held in July or August. The Vermont Center for Eco Studies will attend to present information.

Helen Hamman will order milkweed plants for planting on the hillside across from Clarks, IGA. She will let the LCC know when she is ready to plant.

The LCC has been asked to review the section of the current town plan that pertains to the LCC. This review will begin at the next meeting.

**New Business.**

Annual elections will be held at the next meeting.

We need to let the Town know when we have an event so that it can be added to the calendar.

Ideas for future events were discussed. One possibility is to hold an event explaining and identifying the town lands maintained by the LCC.

The LCC will hold a site visit at the Shamberg property prior to the next regular scheduled meeting on June 16<sup>th</sup> at 5pm.

Wildlife sightings: hooded merganser, bittern, woodcocks, turkeys, hawks, turkey vultures, fox, raccoon, woodchuck, deer and moose

Meeting adjourned 7:50

Respectfully submitted,
