Approval of Minutes

Will go over meeting minutes at regular meeting on 8/05/15.

Open Issues

Only there to vote on bathhouse fix.

All voted yes to create bids to hire someone to fix bathhouses.

New Business

Paul Gordon spoke about multiple issues.

1. Does the board want the Memorial Park Pavilion to be included in the list of town facilities governed by the Facilities Use Policy that we're developing?
2. How does the board feel about the use of alcohol in Memorial Park?
3. How does the board feel about an "umbrella" board to oversee all town parks and properties?

And how we submit to town. When town knows more about what we have to do by law they will let us know. Will discuss this at regular meeting. Mr. Gordon will email me an agenda template and emails for other town members.

Agenda for Next Meeting

Discuss town information listed above, Bathhouse bids, work party dates, posting signs when delivered.

Adjournment

Meeting was adjourned at 7.39pm by Brandy Hill. The next regular meeting will be at 6pm on August 5, 2015, in Memorial Park.
