

Draft  
Londonderry Parks Board Minutes  
August 28, 2014

1. Called to order 6:05pm

Board members present: Pam Ameden, Debbie O'leary, Colleen Gometz, Kelly Pajala  
Volunteers present: Wendy Arace

**Moved, 2<sup>nd</sup>, passed** to add to the agenda:

Budget report – Debbie presented an updated Profit & Loss report from Tina.

Assist with Halloween Family Night – Pam asked if the Parks Board would be interested in helping with the event. She will ask for more details of what help is needed & when before we make a decision. Some individuals may be able to help though.

2. Aug 21 2014 minutes **moved, 2<sup>nd</sup>, approved**

3. Kelly with Wendy (or with Colleen or Debbie) will finish up with Jonathan about the pig.

4. Kelly will ask Dodie about having FBAA share with Parks Board members delivering of returnable bottles to Wayne's from the transfer station. This should be done at least twice a week. The request is being made because the money from the bottle returns is split between the two groups.

5. Colleen reported on her phone call with Bob Rondeau at Fairpoint concerning the estimate we received. He provided a verbal description of the work proposed and breakdown of materials, labor, engineering, etc costs. He also felt that an underground install was quite do-able for the Fairpoint part of the job.  
(Underground would cost less than a lines overhead install, for the Fairpoint part)

She is expecting a return phone call from Greg, at GMP to discuss whether an underground installation is feasible for their part.

Adjourned 7:10pm
